

Hey Danny de Hek,

please find a template of info below on LifeWave Technologies. I actually began writing this one month before CR came in last Feb. I've included a few updated links links to learn a little more about our new direction with LIFEWAVE TECHNOLOGIES. (Some you have seen).

Ryan and I initially spoke of introducing this LIFEWAVE direction to the bigger CR group back in Feb last year once the CR biz was more set up and stable. How life changes overnight huh!! Both Ryan and Hepz are now registered with LIFEWAVE, and, with respect, are choosing to give a little more time to those still grieving from the CR deception before building.

Needless to say, we're super-excited about the potential of LiveWave and where we can take this powerful opportunity over the next 24-36 months. If the timing's right Danny de Hek, we'd love to welcome you aboard! ;-)

My Story -

On Feb 1<sup>st</sup>, 2025, a longtime friend and business associate, Brad Bornemann, in California, shared some extraordinary health results he experienced from wearing the LIFEWAVE TECHNOLOGY X39 PATCH. After hearing his healing story and observing his progress with these mystery patches, I decided to join Brad as a Brand Partner to enable me to purchase the patches at wholesale and experience them myself.

Six days later, I began wearing the X39 patch on the back of my neck for 12 hours each day. As an absolute fanatic, I trusted my intuition, which I find is usually spot-on. I used every waking hour to conduct a thorough due diligence process, examining every level of the LIFEWAVE company, its founder/leadership, and their Phototherapy Patch Technology. The more I researched, the more excited I became.

Within the first week of wearing the Patch per day (12hrs on, 12hrs off), I experienced the best sleep I had had in many years, more energy, a more relaxed and happier mood, and greater clarity of thought! Within one month, my "brain fog" dissipated entirely, and anxiety attacks ceased. Within two months, symptoms of lower back pain and hand arthritis also resolved. Gone, and I was experiencing much more flexibility in my body +++ I'm now nearly one year down the track, and the X39 still continues to have positive "accumulative" effects. The results have been profoundly life-changing.

### **Who is LIFEWAVE TECHNOLOGIES?**

Headquartered in San Diego, CA, USA, LIFEWAVE is a successful 21-year-old HEALTH & WELLNESS TECHNOLOGY company founded in 2004 by renowned inventor **DAVID SCHMIDT**. Here's a very informative interview by Rob Sperry with Lifewave CEO David Schmidt, and President Meridith Berkich about LifeWave's evolution:

<https://vimeo.com/1156985026>

For its first 15 years, Lifewave Technologies averaged a relatively small yearly turnover of around \$20M+. However, in 2025, its turnover rocketed to over \$600M+, primarily due to the phenomenal results of its new revolutionary “X39 Patch” released in 2018. The “X39” patch has now been backed with over 70 double-blind placebo-based clinical studies that provide scientific evidence of the X39's ability to reactivate dormant human cells, and reverse cellular ageing! LIFEWAVE TECHNOLOGIES has now emerged as the world's fastest-growing Network Marketing company for the past five consecutive years.

### **What is the X39 Patch Phototherapy Technology?**

Released in 2018, the X39 Patch is a non-transdermal patch that contains a natural amino acid crystalline lattice designed at a specific light frequency that reflects our body's own infrared light back into the body. This specific frequency of light has been clinically demonstrated to elevate the body's **GHK-cu peptide**.

**GHK-cu** is our body's primary peptide responsible for **ACTIVATING DORMANT STEM CELLS!**

**The patch is “non-transdermal”** ... meaning there are no ingredients passing from the patch through the skin.

X39 LifeWave Patch Technology -> How They Work

<https://liveyoungersuccess.com/how-they-work/>

Because of the clinical tests and evidence now readily available online, in addition to David Schmidt's 200+ patents, LifeWave has attracted thousands of doctors and practitioners now involved as BRAND PARTNERS. All of these practitioners agree that one should “**wear the X39 for ONE MONTH for every DECADE of life**” before deciding on whether the results and value warrant continued use of the technology. (i.e. 30 years old = 3mths / 50 years = 5mths / 60 years = 6mths etc.).

**We invite you to learn more about the X39 by joining us on our weekly DOCTOR'S CALL** (below). Every MONDAY, around 700+ of us attend a very special 1 hour DOCTORS ZOOM CALL. Several doctors join the call each week to provide their professional perspective on why the “X39 Patch Technology” works so well. If you can make the time of the call, why not join us this coming Monday! (Unfortunately this call is NOT RECORDED).

When first hearing of the effectiveness of this x39 Patch technology, most people are driven by curiosity and eager to experience the results of the X39 Patch for themselves. Individual results do vary; some experience almost miraculous results quickly (like myself), while others, who may be experiencing deeper health issues, may take time for their newly awakened stem cells to do their work and produce noticeable effects. Everyone's body is different.

**Alternatively, IF you're as interested in WEALTH CREATION as you are in HEALTH , I suggest joining us as a BRAND PARTNER! This option will allow you to earn income by sharing your X39 experience.**

The potential here is unlimited! We are offering two proven solutions to the two primary concerns of most individuals globally, personal HEALTH, and WEALTH creation.

**According to LifeWave's 2024 Income Disclosure, the top income earners were at \$3M+USD per annum, with average earners at the same level around 500K per annum. The average number of months to achieve this rank was 27 months full-time. (Due to LifeWave 3000%+ growth rate since 2018, we can only assume these incomes were substantially higher in 2025.)**

Every new LifeWave Brand Partner receives a free LifeWave public site immediately upon registration. This site is used for your retail sales, to provide information, or as a platform for people to join you as Brand Partners and expand your team.

For those wanting to begin as a BRAND PARTNER, there are 4 Product Pack options to choose from when starting out:

1. Starter Pack (Registration ONLY/No Product)
2. Core Pack (\$295 USD).
3. Advanced Pack (\$535 USD)
4. Advanced Pack Plus (\$975 USD)
5. Premium Pack (\$1750 USD)

Or, you can purchase ONE SLEEVE of X39 (\$99.95USD) individually each month.

For more clarity on the content of each pack, please refer to the image on the following page.

The larger the product pack, the greater the value. Driven by my personal vision to share these patches and eventually build a large team, I fully committed and chose the PREMIUM Pack BACK in Feb 2025. I have not regretted this decision.

I've found, however, due to most new members needing to first 'experience their own results', the smaller CORE Pack is the most popular choice.

It's important to be aware that if your objective is to establish a network and build income asap, what size product pack YOU begin with, WILL DUPLICATE OUT with your newbies. Meaning, your business volume, which you are paid on, will increase faster. You also begin with a small product pack and upgrade this as you move forward.

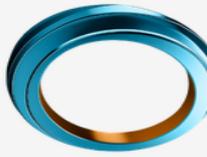

You must be invited to join LifeWave by an existing Brand Partner. Due to your involvement with the MANTIS Team, your Personal Sponsor will be:

RYAN WALL.

To register as a LIFEWAVE BRAND PARTNER, it's as simple as clicking on RYAN'S Public LiveWave below, and click on JOIN on the top menu.
