

# EMPOWERING GROWTH IN BLOCKCHAIN ECOSYSTEMS

# About Goliath Ventures

Goliath Ventures is a joint venture private fund that invests in innovative blockchain and cryptocurrency projects around the globe. We promote growth in digital finance through invested capital and hard-won expertise.

## PAST

Strong track record of successful partnership and investments

## PRESENT

Hard-won expertise in decentralized finance and cryptocurrency markets

## FUTURE

Committed to ethical and sustainable investing for the short and long-term

GOLIATHVENTURESINC.COM

# Our Work

We are early adopters, investors and advocates of blockchain technology, bitcoin mining and liquidity provisioning. Our work supports the foundational infrastructure of the Bitcoin network and also aligns with our commitment to advancing the broader cryptocurrency industry. By providing liquidity to decentralized exchanges (DEXs), we are contributing to a more accessible and decentralized financial system.

## Investments in Blockchain Technology and Bitcoin Mining

We have made significant strides in Bitcoin mining.

We support the foundational infrastructure of the Bitcoin network.

This is aligned with our commitment to advancing the cryptocurrency industry.

**“Our work supports the foundational infrastructure of the Bitcoin network and also aligns with our commitment to advancing the broader cryptocurrency industry.”**

- Chris Delgado, CEO

## Investments in Liquidity Provisioning

Our participation in liquidity pools enables seamless trading.

We are positioned at the forefront of decentralized finance (DeFi).

This is a revolutionary development in the financial industry.

# Market Landscape

## Cryptocurrencies & Blockchain-Based Investments

### THE MARKET ENVIRONMENT

Global market cap of cryptocurrencies is at least \$1.9T

Increasing institutional adoption

Market is led by Bitcoin and Ethereum

DeFi platforms are transforming traditional financial services

Growth of decentralized finance (DeFi) and non-fungible tokens (NFTs)

Innovations in lending, borrowing, and trading methods

Regulatory advancements with clearer guidelines

# Liquidity Pools

Liquidity pool partners invest in a managed liquidity pool that facilitates trading in the decentralized market. Partners earn a share of transaction fees and potential liquidity rewards.

**Benefits of investing in managed liquidity pools include**

**ONGOING  
PASSIVE  
INCOME**

**LIMITED  
PRICE  
VOLATILITY**

**HIGH  
MARKET  
EFFICIENCY**

# Liquidity Pools

Essential to decentralized finance (DeFi)

Located on decentralized exchanges (DEXs)

Enable seamless trading by pooling assets in smart contracts

Facilitate decentralized trading by allowing users to easily swap cryptocurrencies

Deposit token pairs into a pool for trade facilitation

Earn a share of trading fees in return for this liquidity

# A Story of Growth

The blockchain ecosystem is rapidly growing. This is because it is highly efficient, and there are growing levels of adoption. Profitable businesses are being built upon innovations in the blockchain space.

## **Blockchain Transaction Growth**

Over \$91 million in blockchain transactions are processed each day.

## **DeFi Platform Growth**

Total value locked is greater than \$45 billion.

## **Growth in User Adoption**

Cryptocurrency wallet users have surpassed \$420 million.

## **Market Cap Growth**

Global market cap increased by 108% in 2023, from \$829B to \$1.72T.

## **Growth in Developer Base**

Active blockchain developers have risen by 50% in three months.

**“A rising tide lifts all boats.”**

# Insured & Bonded

From Goliath Ventures February 2025 Newsletter

“We are thrilled to announce a major accomplishment that set a new benchmark in the blockchain and cryptocurrency space: **First-of-Its Kind Insurance Coverage**

New strategic partnerships have enabled us to secure insurance coverages that are rarely seen outside the realm of traditional finance. These policies represent a game-changing way forward that protects our partners and their investments. Coverages include protections against digital encroachment, third party security breaches, employee theft, transit risks, and even errors. These protections address critical vulnerabilities that are often overlooked in the blockchain industry.”

**“Our goal is clear:  
to ensure peace of  
mind for our partners,  
enabling them to focus  
on growth.”**

- Chris Delgado, CE

# Goliath Ventures is Built Upon Decentralized Exchanges

Goliath Ventures **began its journey** in decentralized exchanges.

Decentralized exchanges enable a **new way to make markets.**

Market making is an **extraordinary feat of risk tolerance and imagination.**

The **entrepreneurial spirit and vision** of Chris Delgado power the work of Goliath Ventures

# Important Information

## Disclaimer & Confidentiality Notice

This presentation (the “Presentation”) is for informational purposes only and is not intended as an offer to sell, a solicitation to buy, or a recommendation to invest in any security, financial instrument, or digital asset. The information contained herein is provided solely for discussion and does not constitute investment, legal, regulatory, accounting, or tax advice. Recipients should conduct their own due diligence and consult with professional advisors before making any financial, legal, or investment decisions.

## Regulatory Compliance & Risks

This Presentation may contain statements related to blockchain technology, decentralized finance (DeFi), digital assets, or tokenized lending instruments. Blockchain-based financial products may be subject to evolving regulations by the U.S. Securities and Exchange Commission (SEC), Commodity Futures Trading Commission (CFTC), Financial Crimes Enforcement Network (FinCEN), and other global regulatory authorities. As such, there is no guarantee that current legal frameworks will remain unchanged or that our products will not be subject to additional licensing, registration, or compliance requirements.

Any potential offerings, including tokenized financial instruments or digital lending products, may be classified as securities under applicable laws, which could subject them to regulatory oversight. The company does not guarantee compliance with future regulations and assumes no responsibility for any legal consequences arising from participation in blockchain-based financial activities.

## Forward-Looking Statements

Certain statements in this Presentation may be considered “forward-looking statements” within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. These statements involve risks, uncertainties, and assumptions, including but not limited to:

- The regulatory landscape for blockchain and digital finance;
- The adoption and performance of decentralized lending models;
- Market conditions, interest rates, and macroeconomic factors; and
- Technological advancements, security risks, and competitive developments.

Actual results may differ materially from those anticipated in these statements, and the company undertakes no obligation to update or revise them.

## Confidentiality & Restrictions

This Presentation is strictly confidential and intended only for the recipient. It may not be reproduced, distributed, or disclosed in any form without the prior written consent of Goliath Ventures. Unauthorized distribution may violate securities laws and subject the recipient to penalties.

The company does not guarantee the accuracy, completeness, or reliability of any information presented herein. The contents of this Presentation are subject to change without notice, and the company assumes no obligation to update any information. No warranties, express or implied, are made regarding the suitability of any investment opportunity.

## By accepting this Presentation, the recipient agrees to:

- Maintain the confidentiality of all information contained herein;
- Conduct their own due diligence before making investment or financial decisions; and
- Assume full responsibility for compliance with applicable laws and regulations when engaging in blockchain-based financial activities.

For additional information regarding legal, regulatory, and compliance matters, please contact Goliath Ventures or refer to applicable regulatory authorities.
