Dear Counsel,

Pursuant to the Court's Order Setting the Case Management Conference and the applicable Business Court Procedures, Plaintiff's counsel was responsible for coordinating a meet-and-confer no less than 30 days prior to the CMC. We are now approximately 15 days from the conference, and no such meeting has occurred.

I have received your draft Joint Case Management Report. I do not approve it in its current form, as it does not accurately reflect my jurisdictional objections, pending Motion to Dismiss, and other disputed matters.

I remain willing to meet promptly and in good faith to address the required subjects. Please provide available dates within the next 48-72 hours so we may attempt to comply with the Court's Order to the extent practicable. I can be available after 3pm Eastern Time.

In addition, given the arrest of Plaintiff's principal and the active federal criminal proceeding concerning the same business operations at issue in this case, I intend to raise the impact of that matter on discovery and scheduling. I believe those developments should be addressed during our meet-and-confer and reflected appropriately in the Case Management Report.

I look forward to your prompt response.

Best Regards  
Danny de Hek

Subject: Joint Case Management Report [Goliath]

Hi Mr. De Hek,

Pursuant to the Court's order, please find attached a Joint Case Management Report for your review. We would like to meet with you to discuss. Do you have time tomorrow to discuss? Otherwise, if you could please review and approve, it would be most helpful.

If not, we will submit as just coming from Plaintiff. Thank you.
